SabreLite Recoil LED

SabreLite™ 2010 Recoil™ LED Flashlight

The SabreLite 2010 Recoil LED is Pelican's flagship LED flashlight. Recoil LED Technology produces a white collimated beam that's as bright as an incandescent flashlight and provides 10,000 hours of lamp life and extended battery burn time. The rugged, light weight ABS resin body is submersible and a twist on/off lens shroud eliminates accidental discharge. It is powered by 3 C alkaline cells. The SabreLite 2010 Flashlight is the future of LEDs.

Minimum Pack 1 ea.
Packaged Weight: 7.0 oz.

Submersible
